

SCENARIO: After exiting your favorite fish fry place, a group of violent Don't Eat the Sea Life demonstrators have shown up to reek havoc and violence on any one with tarter sauce on their breath. Since they showed up with spear guns to get even for the fish you ate, protect yourself as you move back to the restaurant for cover. But part of their group is hiding behind the bar firing at you when you enter. Be careful of the other patrons, they want to finish their dinners too.

GUN READY CONDITION: Loaded to Division capacity, holstered.

SCORING: Unlimited

TARGETS: 3 paper, 6 plates (on plate rack)

SCORED HITS: Best of 3 shots, steel down

DISTANCE: 5 to 15 yards

COVER GARMENT: Required

NOTE: Watch your muzzle while backing

STAGE PROCEDURE: Starting at P1, draw and engage T1- T3 with 3 shots. Move to the restaurant entrance and as the bad guys are only exposing their heads from behind the bar, make your shots count. Watch out for the innocent patrons crouched down in front of the bar.

6 head plate rack
